

RSE Parent Meetings

At Holland we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

We will be having parent information meetings for the following year groups:

Year 4 - Friday 16th June at 3.30pm

Year 5 - Monday 12th June at 3.30pm

Year 6 - Tuesday 13th June at 3.30pm

(please note that year 6 will also be have their residential meeting)

Rounders Champions!

On Thursday afternoon, our school entered two teams into the year 3/4 rounders tournament. The year 3's did amazingly well with some big hits! They gave other schools some good matches and finished 5th overall.

Our year 4 team went unbeaten the whole competition and finished 1st overall! Some children hit the ball so far that they could've probably run around 2 or 3 times before the fielders returned the ball! We are super proud of all the children. It was also amazing to see the support from parents on the side too- they were great cheerleaders! All children who have taken part in a rounder's tournament will receive a rounders team badge in our next school assembly.

Miss Robertson Absence

Miss Robertson is currently on sick leave and will also be off next week. While she is away, Mr Devlin is our Acting Head and is happy to help. If you have any queries that need to be sent to him, please send these to info@holland.surrey.sch.uk and we will forward your email on to him. We are hoping to have Miss Robertson back after next week but will update you if this changes.

Hay fever

If your child suffers from hay fever and needs medication during the school day, please make sure you have signed a medication form and dropped the medication at school so that we can give your child some relief medication if required. If you already have medication at school, please check that it is still in date.

Mental health...is not a destination, but a process. It's about how you drive, not where you're going.
