

Pencil Cases and Fidget Toys in School

To support children's learning we have asked children to no longer bring pencil cases to school.

Recently there have been a few incidents of children losing items from their pencil cases. As the sizes of said pencil cases have grown we also do not have a means of storing them without impeding on children's learning areas.

We will be supplying all resources that children will need to fully engage in all lessons.

We also ask that children do not bring fidget toys in from home. Those children who require these can be provided one by the school and can change them daily. We will also constantly review if any children require one during class. If you have any further queries on this please ask to speak to Mrs Brown.

Transitioning safely through school

Recently at Holland we have been focusing on how the children transition to and from classes. We have noticed a huge improvement and have been rewarding children when they have been doing well. This is to ensure that children can travel throughout the whole school safely and responsibly.

Young Writers Poetry Competition

In the next few days, the children will be coming home with a worksheet regarding a writing competition - the Young Writers poetry competition for 7-12 year olds called Wonderverse.

Children can get the opportunity to see their work published in a real book, and the top writers could win a prize! The children are invited to delve into their imaginations to write a poem about any topic. More information has been sent out an email today including links to the website.
