

Invite a Female Family Member to School

Thank you to the parents who came in this afternoon to celebrate Science Week and International Women's Day. The children discussed coral reefs as well as the marine biologists and the work they do to save the reefs. They all made a collaborative coral reef displaying the different flora and fauna found in the reefs.

Home Learning

Please ensure that you encourage your child to engage in their homework and reading at home. Reading records should be filled in each time your child reads so that the teachers are aware of the progress that they are making and can support them accordingly.

Smarties Challenge

Once again a huge well done to everyone who took part in the Smarties Challenge! We hope Holly, Chestnut and Maple class enjoy their yummy prizes!!!
Thank you FOHS
