

HAPPY HALF-TERM

National Numeracy Day/Viking Week

On Thursday, the children enjoyed lots of maths activities on National Numeracy Day. We had some very creative costumes so thank you to all who helped to make them.

In Year 3/4, we made colourful addition and multiplication mandalas and then designed and played maths board games. Our Year 5/6 children have also been celebrating Viking Week with arts and crafts and even some dress up!

ISLE OF WIGHT

Some of our Year 6 children had their Isle of Wight Residential this week. The children had so much fun. They went to a theme park where they got to go on a water slide, rides and enjoy the water splash mat. They visited one of the homes of Queen Victoria, and explored the grounds including the park. Amazon World was fantastic, seeing so many animals, playing in their play-ground and some of the children even fed a wallaby.

They had lots of time to bond and play together including bowling and mini golf. The best experience of all was the children at the beach: there was paddling, water fights, beach badminton, trying to catch the surf and exploring the rocks.

The Year 6 children represented Holland Junior School so well, all the teachers were super proud of them. Well done.
